Qualifying Event for Student Health Insurance

Student Health insurance coverage is effective from August 19, 2020 through August 18, 2021. No changes may be made during the policy year unless a qualified family or employment status change occurs. Qualifying events will not be honored after April 30 of the policy year. There will be no premium refund issued after that time.

Check	Qualifying Event	Documentation Required
	Loss of Coverage	Copy of certificate of coverage showing date coverage ended
	Marriage/Domestic Partner	Copy of marriage or civil union certificate
	Birth of a child	Copy of certificate from hospital stating mother's name hospital, date of birth, or birth certificate
	Acquiring new coverage through employment	Proof of coverage showing effective date
	Other	Contact the benefits department

I understand that this form must be completed within 30 days of the change in family or employment status.
